Introduction to Government Contracting

July 14, 2011

9:00 am - 12:00 pm

Ozark, Alabama (Ozark Technology Center)

Are you looking for new markets for your products and/or services? Have you considered selling to the government?

This program is designed to help you evaluate your company's potential as a government contractor. Among the topics covered:

- How to research the government market
- How to register as a government contractor
- Special programs and certifications in government contracting
- How to market your products and services to the government

There is no charge for the program. Please complete the registration information below and return to our office at mstephen@troy.edu or fax (334)670-9740. For more information call (334)674-2425.
