Overview of Government Regulations for Maintaining Contract Cost Accounting System - Beason & Nalley

Huntsville/Madison County Chamber of Commerce—Briefing Room
225 Church St., Huntsville, AL

Thursday, April 8, 2010 10:00 am -12:00 noon

The presentation will focus on government regulatory requirements relevant to maintaining a cost accounting system for companies doing business with the government. The instructor will discuss those contract types most often precipitating compliance with cost accounting regulations, and also the provisions regarding accounting for costs by contract. Included within this overview presentation are methods for identifying “unallowable” costs, segregating direct and indirect costs, managing costs to contract ceilings, effective timekeeping practices, and understanding provisions governing invoicing costs to the government.
