SBA’s Patriot Express Initiative has new and enhanced programs and services for veterans and members of the military community wanting to establish or expand small businesses. Eligible military community members include:

- Veterans
- Service-disabled veterans
- Active-duty service members eligible for the military’s Transition Assistance Program
- Reservists and National Guard members
- Current spouses of any of the above
- The widowed spouse of a service member or veteran who died during service or of a service-connected disability

START WITH A SELF ASSESSMENT

The Checklist for Starting a Business (http://app1.sba.gov/survey/checklist/index.cgi) is a comprehensive tool designed to prepare you for self employment by analyzing your responses in key areas and providing a menu of supporting resources.

PATRIOT EXPRESS LOAN INITIATIVE
The Patriot Express loan is offered by SBA’s network of participating lenders nationwide and features our fastest turnaround time for loan approvals. Loans are available up to $500,000 and qualify for SBA’s maximum guarantee. For loans above $350,000, lenders are required to take all available collateral.

The Patriot Express loan can be used for most business purposes, including start-up, expansion, equipment purchases, working capital, inventory or business-occupied real-estate purchases.

Patriot Express loans feature an interest rate of 2.25 percent to 4.75 percent over prime depending upon the size and maturity of the loan. Your local SBA district office will have a listing of Patriot Express lenders in your area.
